Keynotes

Dr. Jesus Garcia Laborda, PhD, EdD, MA, MEd
Universidad de Alcala

Keynote Title: "Where is the future of Bilingual Education?"

Abstract: Bilingual education, especially English-Local Language, is becoming a common trend everywhere in Europe. While in the 1990s and 2000s it was widely praised in the last 10-15 years its limitations have become more evident. This presentation intends to give a light on what the current research is and what the future issues might be. The presentation begins by defining bilingual education outside the English class, its issues and problems. The second part addresses future studies that could be done for academic purposes. The presentation concludes with some suggestions for researchers.
